

Data Processing Addendum (DPA)

This Data Processing Addendum (“DPA”) supplements the Services Agreement (“Agreement”) between **Customer** and **ExampleAI Ltd.** (“Processor”). This document is a fictional test contract created for product testing and demonstration purposes only.

1. Details

1.1 Scope and Roles. Processor shall process Customer Data solely on behalf of Customer in connection with the Services. Customer acts as Data Controller and Processor acts as Data Processor.

1.2 Details of Processing. The nature and purpose of processing is the provision of AI-powered services. The duration of processing shall be the term of the Agreement. Details regarding categories of personal data and data subjects may be described in service documentation.

2. Processor Obligations

2.1 Customer Instructions. This DPA and the Agreement constitute Customer’s documented instructions. Processor shall process Customer Data in accordance with such instructions.

2.2 Confidentiality. Processor shall ensure that personnel authorized to process Customer Data are subject to confidentiality obligations.

2.3 Security Measures. Processor shall implement commercially reasonable technical and organizational measures to protect Customer Data.

2.4 Personal Data Breaches. Processor shall notify Customer without undue delay after becoming aware of a Personal Data Breach.

3. Subprocessing

3.1 Subprocessors. Customer grants Processor a general authorization to engage subprocessors. Processor may update its list of subprocessors without prior notice.

4. International Transfers

4.1 Transfers Outside the EEA. Customer Data may be transferred to countries outside the EEA in connection with the Services. Processor shall take appropriate measures to protect such data.

5. Data Subject Rights

Processor shall provide reasonable assistance to Customer to enable responses to data subject requests, taking into account the nature of the processing.

6. Audit Rights

Processor shall make available relevant compliance information upon reasonable request.

7. Return or Deletion of Data

Upon termination of the Agreement, Processor shall delete or return Customer Data upon Customer's written request.

8. Order of Precedence

In the event of conflict, the Agreement shall prevail over this DPA.

9. Governing Law

This DPA shall be governed by the laws of the State of California, without explicit reference to GDPR.
