

# Data Processing Agreement (Sample – Short)

This Data Processing Agreement (“DPA”) forms part of the Services Agreement between **ACME GmbH** (Controller) and **CloudVendor Ltd.** (Processor).

## 1. Subject Matter & Duration

The Processor shall process personal data solely for the purpose of providing the Services. Processing shall continue for the duration of the Services Agreement.

## 2. Nature & Purpose of Processing

Processing includes hosting, storage, and customer support related to the Services.

## 3. Types of Personal Data & Data Subjects

Personal data may include names, email addresses, and usage data of the Controller’s customers.

## 4. Processor Obligations

The Processor shall process personal data only on documented instructions from the Controller and ensure that persons authorized to process the data are subject to confidentiality.

## 5. Security Measures

The Processor shall implement appropriate technical and organizational measures to ensure a level of security appropriate to the risk.

## 6. Subprocessors

The Controller grants a general authorization to engage subprocessors. The Processor shall inform the Controller of any intended changes.

## 7. International Transfers

Personal data may be transferred outside the EU. The Processor shall ensure appropriate safeguards are in place.

## 8. Personal Data Breach

The Processor shall notify the Controller without undue delay after becoming aware of a personal data breach.

## 9. Assistance & Audits

The Processor shall assist the Controller in responding to data subject requests and allow audits upon reasonable notice.

## **10. Deletion or Return of Data**

Upon termination, the Processor shall delete or return all personal data at the Controller's choice.
